Tips on wedding slideshow making and presentation:

- Regarding pictures, a wedding slideshow can use pictures of bride and groom growing up, and pictures their life together, pictures of family and close friend.
- Pay attention to the duration of each slide and whole slideshow. The time per slide should be less than 5 seconds. And slideshow should not be so long. Within a few minutes attention, you will start hearing the buzz of conversation as people's attention spans wear out.
- Decide when to play the wedding slideshow. It is better to play the slideshow during or after the dinner. At the beginning, people may be too busy chatting or doing anything else.
- Make sure there is a large screen to play your slideshow on. Even you can set up a laptop on a side table, start the slideshow on a continuous loop, then people can watch as long as they want.
